

## Camp For You. Camp For All.

We welcome you and your family to the mountain and invite you to share in our **Fire of Friendship**, determined in our belief that every person shares the potential to grow in wisdom, to discover their unique and independent voice, to nurture others and to engage their communities. The fun and challenging programs we offer foster communication, trust, problem-solving and deeper spiritual connections, while preparing young people to lead and be led. The South Mountain YMCA Camps are more than a series of camping and retreat programs on the mountaintop, they are a way of life – a philosophy – that are exciting to explore and easy to embrace. **Keep the Fires Burning!**

### Keeping Camp Affordable

We realize that families have different abilities to pay, so we are excited to introduce a voluntary 4-tier pricing program for Camp Conrad Weiser. In these uncertain financial times, families are telling us that they appreciate any financial assistance that we can provide. They know the value of camp extends beyond the camp season and they want their children to attend Camp Conrad Weiser this summer. Please review the options and choose the camp tuition that fits your family's needs best. **Please note, this does not change your child's camp program.** We will still be offering Explorer programming for 7 & 8 year-olds, Voyager programming for 9-11 year-olds and OWLs programming for campers ages 12 and up.

#### Tier 1

**The Actual Cost of Camp.** We hope that families who can afford full tuition pay this price.

#### Tier 2

**This is a Partially Subsidized Rate** for families who cannot afford the actual cost of Camp.

#### Tier 3

**This is a Heavily Subsidized Rate** for families who cannot afford the actual cost of Camp.

*This is strictly an honor system; select the fee you feel is appropriate to what you can pay. The program is voluntary, and in no way influences the experience children receive. Our policy is to turn no child away due to inability to pay our camp tuition. If you require more assistance, please select Tier 4 and apply for our more traditional Financial Aid program.*

#### Tier 4

**This is a Variable Rate** for Families whose needs are greater than the subsidized rates in Tiers 1-3. Families seeking Tier 4 Variable Rates must apply through our Financial Assistance Program.
