**Outdoor Experience**

What camping/practical skills do you have and expect to use?(fire building, cooking, archery, climbing, etc.)

5. What do you believe are characteristics of a strong leader?

6. What are some of your hobbies or extracurricular activities?

7. What do you think are the 3 most important things a successful Counselor in Training candidate must be able to do:

1.

2.

3.

The Counselor In training program is designed with our future leaders in mind. The intention of the CIT application process is to give our new leaders experience in a professional application/interview process. We encourage teens to fill out their own applications, set up their own interviews and references, and communicate directly with the directors at Camp Conrad Weiser. Once the application and interview are complete and you are accepted to the program, our office will reach out to complete the registration process.
