

I.C.E.P. SPAIN

International Camper Exchange Program

The **South Mountain YMCA Camps** have been running ICEP trips with YMCA Camps around the world for more than 50 years. In past years, our ICEP Campers have attended programs in Germany, Spain, Russia, Sweden, Great Britain, and Canada. In most cases, the format is identical from year-to-year (2 weeks of Camp and 1 week of travel).

In the summer of 2023, we will be sending ICEP trips to Camp Saldeuro in Spain, as well as to Camp Abbensen, Germany *There is no homestay as part of this ICEP trip. This is a 3 week experience.*

For questions and information, contact **Cory Evans at the South Mountain YMCA Camps** at 610-670-2267, or by email at cevans@smyymca.org. Visit our website at WWW.SMYMCA.ORG.
